

Susan Chambers

Born and raised in Northern California, she moved to Malvern, Pa. with her husband in 2001. While sharing the new and exciting beauty of the land with her family and friends back west via e-mail and pictures, she was encouraged to share her "idea" of art with everyone. Her eye for photography along with her unique method of making pottery is now

available. Having spent most of her life in the world of dogs, loving them, veterinarian work, rescue and volunteering has drawn her into the world of nature and yearning to bring it indoors to savor. She can be reached at www.SnoozenArt.com.

Susan has contributed to the following Healing Art Works, Inc. Projects:
