

## Susan Styer

Susan Styer is a contemporary fine artist, painting abstracts in the non-representational style. She also paints representational subjects from her rural surroundings in Northern Chester County. Painting directly,

spontaneously and intuitively, using fresh colors and responding to her emotions, she builds a painting which seeks to excite and awaken the viewer.

**Susan has contributed to the following Healing Art Works, Inc. Projects:**

Project 2006 - Penn State Milton S. Hershey Medical Center
