

Arnold Wasserman

Arnold Wasserman starts each of his pieces with a carefully drawn sketch. He then enhances the sketch through his choice of colors, and brings the sketch to life by applying the paint to the paper. Each step in the process involves many decisions and a great deal of thought.

Arnold studied at the Art Students League of New York and is a member of the San Diego Watercolor Society.

He paints to please himself, but finds a home for each piece he completes. He does not want to have a portfolio filled with paintings that nobody can enjoy. He has his own muse – his beautiful wife and best friend, Pamela Wasserman.

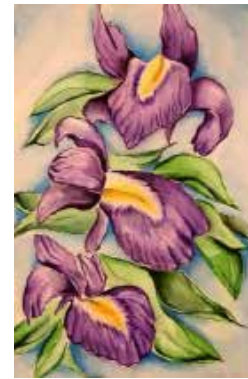

Arnold has contributed to the following Healing Art Works, Inc. Projects:

Project 2008 - American Cancer Society Hope Lodge

Project 2009/2010 - The Cooper University Hospital

Project 2011/2012 - The Chester County Hospital
